

The background of the slide is a photograph of an industrial facility, likely a refinery or chemical plant. It features a complex network of large, silver-colored metal pipes and vessels. Some pipes have blue-handled valves. The scene is brightly lit, possibly by sunlight, creating a high-contrast, slightly overexposed effect. The overall color palette is dominated by metallic greys and blues.

第三小组汇报

灵感来源——灯塔

受限于所给材料的大小、形状，
我们选择**灯塔**作为设计原型。

灯塔兼具**回转体**特征和**结构美感**，且具有较强的辨识度。
